

Creating a Positive Learning Environment

Part I of an Educational Series

Presented By

Who should attend: Parents who have a child with an intellectual or developmental disability, family members, teachers who work with individual education plans, caregivers, professionals, and advocates.

What: This class will speak to teaching strategies, prompting techniques, shaping behaviors, providing reinforcement, creating a positive learning environment, helping people be interdependent within their environment, and assisting in community integration.

Where: Mosaic 2456 Industrial Blvd. Grand Junction, CO

When: September 27, 2011 from 5:30 pm – 7:30 pm.

Why: Mosaic would like to partner with parents and community members who may need services, support, or additional resources for an individual with an intellectual disability.

*We will be providing food and beverage and materials for you to take with you.
With prior notification, respite can be provided at Mosaic.*

**Please let us know if you will be joining us by calling 970.245.0519 ext. 15
or e-mail**

About Mosaic

Our Mission

"Embracing God's call to serve in the world, Mosaic advocates for people with intellectual disabilities and provides opportunities for them to enjoy a full life."

Mosaic is a faith-based organization serving people with intellectual disabilities. We believe that every individual is a person of worth. Together Mosaic staff members, volunteers and the people we support work as partners.

Our Vision

Mosaic enters its second century as a strong organization with continued focus to effectively help people with intellectual disabilities create the life they desire. We pursue sustainable growth and ensure our mission success through a broad partnership with donors and volunteers.
